

Dear Parents and Caregivers

Please find below the Week 10 Term 2 edition of the Lion Roars.

Acting Assistant Principal

Save the Date	Year 7 - 10: Parent - Student - Teacher Interviews: Staff Development Day (pupil free day): Staff Development Day (pupil free day):	<i>Wednesday 3rd July 3:30 - 8:30pm, Thursday 4th July 8:30 - 3:30pm Friday 5th July (Term 2) Monday 22nd (Term 3)</i>
---------------------	---	--

From the College Principal:

Thank you to all parents, students, and staff that have assisted make Term 2 a success. Most students have worked hard to achieve their goals this Term. Working to one's best is our expectation of your son/daughter and we encourage your child to finish off the Term strongly, take satisfaction in their efforts and enjoy a well-earned break.

However, a holiday break should not be a transition from the extreme of busyness to the opposite end in laziness. Your child's wellbeing should include exercise, healthy eating, reading a novel or two, time with family and assisting someone else. Our young people enjoy routines and positive direction. Please assist them to have a productive and life-giving break.

Of course, our Year 12 cohort who are working towards their Trial HSC, will require a different program and today students and parents (via this publication) have received communication from the College regarding their Trial HSC Exams and the College HSC Workshops over these holidays.

I wish all students a great end to Term 2 and a safe and productive holiday.

For parents and carers, if you are taking time out over the holidays, may you too get to enjoy some time with your family.

The College Musical – “Happy Days”:

The image below clearly represents the depth of participation across the College to host this musical. Whether as a cast member, crew, supportive parent, hospitality team player, or a

member of staff ... this is a prime example of teamwork. Besides being a memorable event it was a fantastic learning experience for our students using real life experiences, problem solving, continual evaluation, looking for improvements; accurate and immediate feedback ... Another way of deepening our learning with our 6Cs: Christian Citizenship, Character, Collaboration, Communication, Creativity and Critical thinking.

So many staff contributed in so many ways, but I do need to thank Ms Fiona Milkins, Ms Suzie Murphy, Ms Olivia Gauci, Ms Elena Salerno and Ms Jo Gower for the huge effort to launch, rehearse and then perform this musical so successfully.

Pacific Partnership Program - Kiribati Immersion:

We farewell our Kiribati Immersion team who will be visiting this chain of islands in the Pacific Ocean straddling the equator, about one-half of the way from Hawaii to Australia. For our students the immersion aims to:

- Develop understandings of social justice within a global context
- Experience life, faith and justice from a new perspective
- Broaden experiences through exposure to a different culture
- Share experiences with The Sacred Heart College students
- Provide experience working with children from the Kiribati School for Students with Special Needs
- Build knowledge of the region, its culture, people and geography
- Develop leadership skills and resilience
- Promote long lasting relationships with communities in Kiribati
- Create a mutually beneficial cultural exchange forum via online communication
- Show how each one of us can make a difference both individually and as a College community.
- “put our faith into action”

This extraordinary opportunity is only possible thanks to the commitment of our staff who accompany and guide the students in Kiribati: Ms Michelle Teys, Mr Andrew Dumas, Ms Sarah Hasman and Mr Ted Spurtacz. It is a great learning experience supporting the 6Cs: *Christian Citizenship, Character, Collaboration, Communication, Creativity and Critical thinking* (particularly the first three).

 - Students also need to check that they have the necessary equipment for each examination
 - Students will be provided with writing paper for the exams. All other material must be placed in a **clear plastic folder**.
 - **NO mobile phones or any other electronic device** can be taken into an examination room. If phones ring they will be confiscated and may render you with a zero on your paper.

 - **Watches** need to be removed in examination rooms and placed on the desk.
 - **Bottled water** may be taken into the examination rooms in a clear bottle with no label.
 - **No** student will be allowed to leave an examination early.
 - If you are **sick** on the morning of an exam you must ring the College on **9487 3555** by 8.15am. Please ensure you email the KLA leader to arrange an appropriate time.**
 - Examinations are assessment tasks for the HSC program. **Please read your schedule carefully as misreading a timetable does not constitute an acceptable excuse for missing an examination.**

 - Unless otherwise stated all exams are in the Light of Christ Centre (OLOR end).

You may also bring a ruler, highlighters, pencils (should be at least 2B) and a sharpener, and a bottle of water in a clear bottle. You can wear your watch to your exams, but once you sit down you will have to take it off and place it in clear view on your desk. Programmable watches, including smart watches, will not be allowed in the exam room.**
 - The following list shows the exams for which you are to bring specific equipment, as there may be some exam questions that require the use of this equipment. If an item is listed as optional, it means that there will be no exam questions for which the item is essential. But you may bring and use it if you wish.
 - All equipment you bring is subject to inspection on entry. Make sure any equipment you are allowed to bring, such as a calculator, is in good working order because an appeal under misadventure provisions for equipment failure will not be upheld.

From the Director of Evangelisation and Catholic Formation:

Kiribati Immersion Begins...

On Wednesday July 19 the Kiribati Team came together to begin packing many of the goods that have been donated for the Kiribati Immersion in their luggage bags. Items donated included clothes, toiletries, guitars, Excel books, ipads, and laptops and other electronics. Thank you so much for your generosity.

During the Holidays on Sunday July 14th, the twelve students and four teachers will fly out for Kiribati. Our hearts, thoughts, and prayers go with them.

Please pray the St Leo's Awaken Prayer each day from July 14 to 26 for the success of the St Leo's Kiribati Immersion.

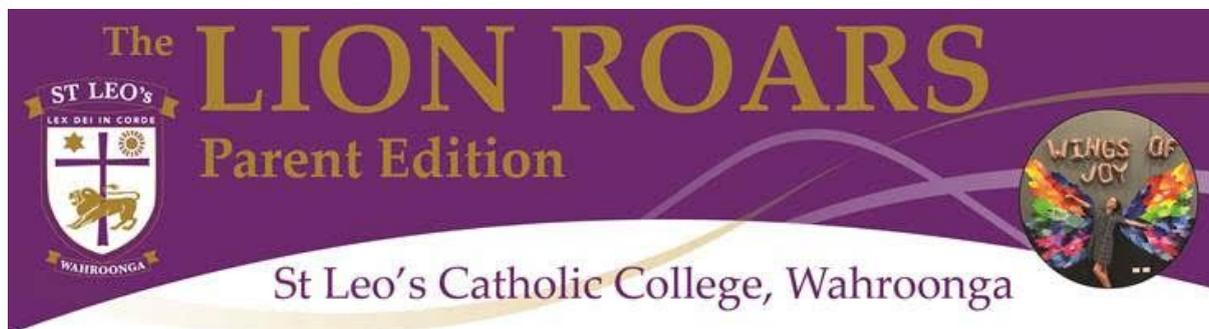

Awaken Prayer:

Ancient eternal One,
Awaken in us a deeper
desire to bring hope.

As we learn,
may we look beyond
what we see.
To a deeper reality,
To find you living in the poor,
the outcast and in the earth.
Turn our hearts and minds
to follow your son Jesus.

To journey beyond
the comfort zones
of our lives.
As we awaken
like Mary's "yes"
to the angel Gabriel.
Let us be the instruments
of goodness.
To be brothers and sisters
to each other.
So as to transform
the places that seem dark.

Lead us
to care for a world
and future not our own.
May the St Leo's community
bring the light that sings
the glory of God's creation.
Amen.

No doubt they will be challenged. They will need our prayers.

Stay tuned we will be releasing a link to the immersion blog which will give you regular updates....

Have a Blessed and rest filled holiday,

Andrew Dumas

Purple Day - thank you:

Thank you to all the parents who supported the Year 11 *Purple Day* initiative last Thursday in helping to supply the wide variety of cupcakes. It was a wonderful day passionately led by Luke Trotz (Year Leader) and the Year 11 students who importantly raised epilepsy awareness through the sale of the cupcakes along with the Year 12 leaders who coordinated a BBQ lunch for the students. A real **community** effort from all involved - thank you again!

Improving our student attendance:

Last week at an important Wellbeing Leaders' meeting at the Catholic Schools Office, there was considerable discussion on the Diocesan initiative ***Learning Every Day Counts***. This program aims to assist in improving student attendance at schools through a shared commitment by students, families, schools and the community. This initiative **promotes four key messages**:

- *All children of compulsory school age (6-17 years) should be enrolled at school and attend every school day
- *Schools should promote, monitor, communicate and implement strategies to improve and maintain regular school attendance
- *Missing days of school impacts on a students' learning, wellbeing and future employment and life choices
- ***Supporting good attendance at school is the responsibility of everyone in the school community.**

Student Leadership 2019/2020:

The next stage of the student leadership process for our pending 2019/2020 College leaders has occurred today, Wed 3 July, with interviews conducted with candidates. The positions that candidates will be interviewed for include College Captain, College Vice-Captain, Student Representative Council, Growth Domain ambassadors (Spiritual, Physical, Academic, Cultural, Environmental & Social Emotional) and House Ambassadors. It is anticipated that the 2019/2020 Leadership team will finalised by Week 2 next term.

Thank you, as always, for your ongoing support - enjoy the upcoming holidays with your families!
