

Letter No 8 - Covid-19 Update

30 July 2021

Dear St Leo's community,

Congratulations to all students, staff, parents and carers on getting through Sydney's 1st phase of 2021 Lockdown! I am looking forward to signing all your report cards! :)

Given the Premier's announcement earlier this week concerning the extension of the current lockdown, all students, parents and staff were invited to participate in a survey regarding our current model for the delivery of the curriculum. In the interests of transparency I have linked the [summary of results](#) here from the 4 targeted audiences.

As a result of this survey - the current model of delivery will continue for the next 4 weeks from Intake 2021 (Yr 7) to Year 11, with two minor tweaks -

- 1) *online assemblies/gatherings and,*
- 2) *students who have Learning Support assistance - each parent/carer will be contacted again by a member of the Learning Support team next week to discuss progress.*

[A copy of the next two weeks timetable is linked here for all students.](#)

Thank you to all those who took part in this survey.

If any parent/carer thinks their young person **is having a difficulty in any of their subjects** - please contact the class teacher in the first instance. This can be done by:

- 1) **email directly to the class teacher**, either via your young person's Google Classroom or by "normal" email,
or
- 2) **phone the College Reception** (9487 3555)
