

Welcome to the Parental Lion Roars for Week 4 Term 4, 2022

Principal's Message

Dear Parents/Carers,

Welcome to our Week 4 edition of *The Lion Roars*. It is packed with the many achievements, challenges, and activities of our students. Please take the time (which I know in most cases is a scarce commodity) but it is important that you are more than just aware of these items besides the important dates, invitations etc.

School Evaluation - Update

During the recent holidays the Evaluation Team met to discern a great deal of data, consisting of:

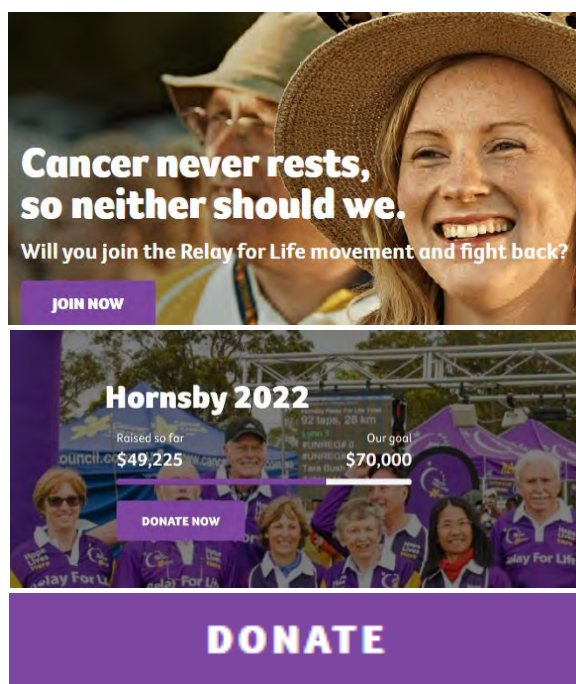

- Catholic Schools NSW comparative statistical data
- Past HSC DeCourcy Analysis
- NAPLAN (2021 and prior)
- Student attendance
- *Tell Them From Me* Survey
- And the *internal school survey* conducted at the end of last term

In the past three weeks, the panel has also conducted interviews with parents/carers, staff, students as well as classroom visitations. Both the *Evaluation Team* and the *College Leadership Team* have conducted two workshops to triangulate this data and to discern the evidence of good work as well as areas for improvement. This is so we can ensure our students are being provided the best education possible and for the College to be at least as good as the very best. Once this discernment period is completed, the results and future direction will be provided for the community. Please don't hesitate to contact me if you have any queries or concerns.

Cathedral Precinct – An Invitation to all Parents & Carers

Last week all parents and carers should have received an invitation to the [Cathedral Precinct consultation](#).

St Leo's Catholic College and Our Lady of the Rosary Catholic Primary School are both integral parts of the "Cathedral Precinct". Earlier this year, Bishop Anthony expressed his desire to explore how we might develop our Cathedral Precinct as a genuine and living statement of our identity and mission in the years to come.

A discussion has already commenced with the Cathedral Parish community and will continue into next year about the long-term possibilities for the Cathedral Parish and Precinct. We know that as parents, you will have particularly important insights about the possibilities and opportunities for our Catholic school communities, here, at the heart of the diocese.

We warmly invite all parents to a meeting to discuss possibilities for the long-term future of our Cathedral Precinct:

Date: Thursday 10 November

Time: 7:00pm – 8:30pm

Location: Flora Mackillop Theatre, Mary MacKillop Centre (parking available via **Gate D** - Unwin Rd)

Please RSVP: [Click here to RSVP](#)

This first meeting is an exciting opportunity to come together to look ahead, not just to the next 2-3 years, but 20 - 25 years into the future and envision what could be, as we continue to provide authentic, professional Catholic education delivered with care and compassion. In joining the journey of discernment, you will be invited to share your thinking about the possibilities for the Cathedral Precinct as we strive to be at least as good as the very best.

Parents in Partnership Evening – Wednesday, 9 November

The Term IV Parents in Partnership Evening will be next Wednesday, 9 November at 7pm (via Zoom). The draft agenda will be:

- The College Literacy Program
- A summary from the *Cathedral Precinct Consultation* (from the night before)
- plus, any items raised by the parent/carers body.

If you would like to raise an agenda item - please [email Mrs Joanna Gower](#) by Monday afternoon. A final agenda and Zoom link will be sent out to all parents/carers on Wednesday morning.

Continuing to Follow Passions Beyond St Leo's...

Congratulations to one of our College Captains from 2021, **Matteo Persechino** (also College Dux and NSW 1st Place in Drama in HSC), who has professionally recorded his first song – 'Say Goodbye'.

In Matteo's words, *'I wrote it by myself a year ago during lockdown. It's about*

having to let go of something without really getting the chance to say goodbye, learning to accept things and move on. (Obviously thinking that we had had our last day and wouldn't get to go back to school because of lockdown). I actually sang it at the Year 12 Graduation last year. So, it's full circle that it's out now. It was about a lot of things but came to a head at leaving school and letting go of that.'

Relay for Life - Rofe Park, Hornsby Heights THIS WEEKEND

Relay For Life is a fun but moving experience that raises vital funds for Cancer Council NSW's research, prevention, and support services.

Last Monday, a few cancer survivors at the College spoke of our own experiences - **Joel** of Year 12 (2023), **Ms Fiona Milkins** and myself. Our very own **Mrs Joanna Gower** (far right) is again coordinating the *Hornsby Relay* and captain of our St Leo's Pride team.

Please come along and support this vitally important cause – any time between 10am tomorrow (Saturday) and 10am on Sunday morning at Rofe Park, Hornsby Heights.

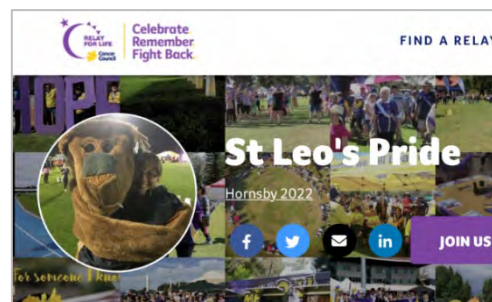

Many of our staff and students are supporting the event and involved in various ways including our CAPA ensembles performing (11am-12.50pm) – **see the Schedule of Events on p.13.**

Please bring cash - coins and small notes for the various stalls and activities as there is no ATM on site, along with your **bottle and can donations** for our Return & Earn stand and a **tin of food** as a candle bag weight for the Candlelight Ceremony (7.30pm).

Whether or not you are able to attend, please donate if you can to our Leo's Pride Team via the

Hornsby Relay is a chance for the community to recognise and celebrate local cancer survivors, those going through a cancer experience and their carers, to honour and remember loved ones lost and to raise money to help save more lives. Join the thousands of Australians who take part in Cancer Council's *Relay For Life* each year and make strides towards a cancer-free future.

Thank you to all those involved, most notably **Mrs Joanna Gower** once again for her endless dedication and hard work for this cause close to so many of us.

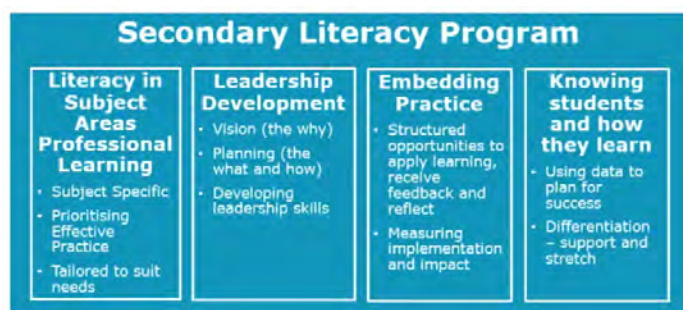

College Literacy Program

Catholic Schools Broken Bay (CSBB) has a clear vision to provide authentic, professional Catholic education, delivered with care and compassion. Our purpose is to inspire hearts and minds to know Christ, to love learning, to use their talents to be the very best they can be. A clear goal of the Towards 2025 strategy is to maximise the *learning growth of each student*. The importance of successful literacy learning for every student cannot be underestimated in achieving this goal. Research findings in this area continue to emphasise the role that literacy plays as a key determinant of success at school and life.

Today our Staff Middle Leaders (KLA Leaders) will begin our journey with [Dr Trish Weekes](#) in the launch and development of the CSBB Secondary Literacy Program. This program will extend over the next three years.

The program focuses on prioritising effective practices, developing leadership within the school, improving teachers practice through high quality, subject specific literacy professional learning, and embedding this practice in the classroom to suit student needs.

Right are the flour elements of our CSBB Secondary Literacy Program. Please watch this space for further news as we move into the program.

Opportunities for our Students

On page 8 of this edition of the College newsletter is a report from our Leader of Pathways & Partnerships - **Mr Justin Slowey**. It's great to see many students actively participating in these many and varied opportunities. Please read the report. *"It's never too early to think about your career..."*

Congratulations to **Giselle of Year 8**, who has successfully made the finals in the *MyState Film Festival*. If you wish to show your support (as well as be engaged with Giselle's short film of 3 mins 40 secs) please give it a [like or share this link](#).

And finally, congratulations to all our Year 12 2022 HSC students, the last of whom finished their exams today. Time for you to relax and celebrate!

Regards,

Tony Gleeson
Principal

Student Representative Council (SRC) 2023

Following a comprehensive application and voting process, the following students have been selected by their peers and endorsed by their respective Year Leaders and the College Leadership Team as our Student Representative Council (SRC) for 2023:

Year 7: Mia H, Ella H, Arturo B-S, Marcelo S-N

Year 8: Leela I, Alena H, Ranveer S, Benjamin J

Year 9: Maya M, Ella S, Rish R, Conor C

Year 10: Emma W, Holly B, Kaylan V, Kirin I

As with the new Student Leadership team, these students will serve on the SRC up to and including Term 3 next year. Year 7 2023 will be given an opportunity for representation in Term 4 next year when the new leadership cycles begin after they have transitioned to secondary school life.

The new SRC team will shortly meet under the guidance of our new SRC Ambassadors, **Rose C** and **Matthew R** as well as being announced/badged at the next suitable whole school assembly.

The SRC will have regular weekly meetings and will represent the student body in College decision-making and enhancing opportunities for students to participate in school life through agency and collaboration.

Congratulations to our new SRC representatives!

Student Pastoral Care & Wellbeing

Ms Megan Tynan, Acting Director of Pastoral Care & Wellbeing

Student Leaders Attend Youth Mental Health Forum

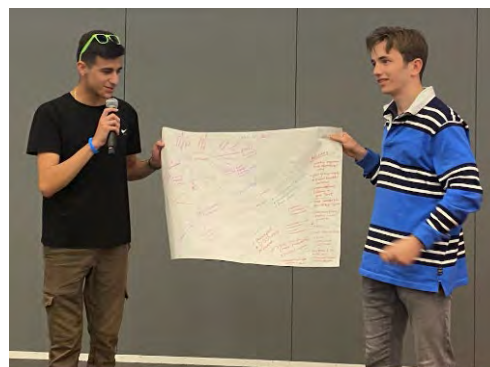

The 2022 **Hornsby Ku-ring-gai Mental Health Youth Forum** was held on Tuesday, 18 October at Macquarie University.

The forum is a community initiative that empowers young people to facilitate, support and advocate for positive conversations about mental health.

Five of our senior leaders **Charbel K**, **Bailey C**, **Bryndis P**, **Peter W** and **Rose C** volunteered their time to attend the forum with other local high school students. They learned about coping mechanisms and positive approaches that can be implemented within the school environment.

Our students have returned to St Leo's with ideas to implement to assist in positive youth mental health initiatives such as student led safe spaces and planned mental health events calendar.

Cyber Safety Parent Information

It can be challenging for parents and carers to keep up to date with the latest apps that their children or their friends may be using. With new apps being launched regularly, the Council of Catholic School Parents (CCSP) delivered a Cybersafety webinar last week for parents to gain a clearer understanding about the latest types of apps being accessed by their children.

The eSafety Commissioner has developed a website to help Australians have a positive and safe experience online. The government website provides a description of the latest apps to assist you in deciding if the apps are appropriate for use by your family. [Click here for the eSafety Guide](#)

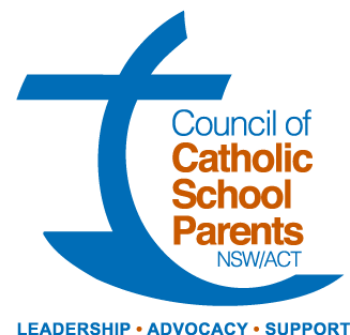

The website has many useful age-appropriate resources to assist parents and carers to start a conversation with your child about cyber safety. [Click here for the eSafety parent information](#)

About the Council of Catholic School Parents (CCSP)

Since 1995, [CCSP](#) have been the voice of Catholic school parents in decision making within and beyond the NSW Catholic education sector. CCSP assists parents and carers by:

- Promoting family, school, and community partnerships
- Advocating for student safety such as adequate protections for young people online
- Supporting student wellbeing
- Lobbying state and federal governments for school funding
- Providing input into curriculum development
- Influencing state and federal policy formulation
- Providing advice to parents and carers to help them in their role as their children's first educators.

Health and Wellbeing Quick Reference Numbers & Websites

It is unlikely that the floods, drought, bushfires, or COVID-19 pandemic we have seen recently will be the last crisis situations we will face in our lifetime.

There are many organisations that can assist you to look after your family's health and wellbeing while importantly looking after yourself:

Service	Phone	Website
Lifeline	13 11 14	lifeline.org.au
Kids Helpline	1800 55 1800	kidshelpline.com.au

Important Dates 2022-23 – Newly added

Week	Date	Event
TERM 4 2022		
4	Sat 5, 10am – Sun 6 Nov 10am	Hornsby Relay for Life, Rofe Park, Hornsby Heights (see p.2-3, and Schedule of Events on p.14)
5	Mon 7 Nov	Year 7 (and Year 8 & 10 catch-up) Vaccinations Year 9 Japanese Excursion
5	Wed 9 Nov	Term 4 Parents in Partnership Meeting
5	Thu 10 - Fri 11 Nov	Duke of Edinburgh Silver Qualification
5	Thu 10 Nov	Cathedral Precinct parent/carer consultation session (see p.1-2)
6	Sun 13 - Tue 15 Nov	CAPA Camp
6	Tue 15 Nov	Year 12 Formal
6	Thu 17 Nov	Early finish (2pm) due to DBB event
6	Fri 18 Nov	College Swimming Carnival
7	Tue 22 Nov	CAPA Post-Camp Performance
7	Wed 23 - Fri 25 Nov	Year 9 Camp
7	Fri 25 Nov	Year 7 2023 Orientation/High School Taster Day
8	Tue 29 Nov	Years 7-8 Studio Concert (private music students)
8	Wed 30 Nov	Years 9-12 Studio Concert (private music students)
8	Thu 1 Dec	Year 10 Semi-Formal
9	Mon 5 Dec	Year 10 final day – Awards & BBQ Year 7 Swim School
10	Wed 14 Dec	College Advent Liturgy
10	Thu 15 Dec	College Awards Ceremony/Year in Review
10	Fri 16 Dec	St Leo's Fair Day/last day of formal classes for students
11	Tue 20 Dec	College Office closes for 2022
TERM 1 2023		
1	Mon 30 Jan	Year 7 2023, Year 12 & new students Day 1 (Orientation)
1	Tue 31 Jan	Years 8-11 students return for 2023
8	Wed 22 March	College Open Evening (4-7pm)

What's been Happening?

Year 11 Girls - Abbey Retreat

On Tuesday, 18 October, nine of our Year 11 girls left on Retreat with **Rev Gomez** and **Mrs Kofron** to Jamberoo Abbey for 3 days. It gave us each a chance to explore our Spirituality and connect with God. The experience was captured beautifully in the words of our College Captain - **Zinta H...**

'Recently, I was able to join a small group of students to participate in the fulfilling experience of attending a retreat at Jamberoo Abbey.

Over the course of three days, I was never at a loss as to where I could find a connection with God - in His creation, in the people around me, in the blessings we prayed over each other, and in moments shared.

After joining the nuns for one of the many

prayer sessions in the Church, we were invited to seek out a special place. Reminded of the glass panels which make up a wall of the Abbey, symbolising a connection to the world around, I sat in my place and found peace. Reassured that we all had our moments - in this our place, together, alone, with God; I know that I won't truly be leaving this place.'

Year 7 Bible Presentation Liturgy & BBQ

Tuesday evening provided a chance to come together and celebrate the journey our Year 7 2022 cohort have taken in their Religious Education. The evening celebrated our College tradition of handing down our Sacred Scriptures to the newest members of our community, and also provided a relaxed setting for students to introduce their families to their Religious Education teachers over a BBQ.

Thank you to all involved. It was wonderful to gather again in person, relaxing with

each other and celebrating our Catholic faith. Many thanks go out to the staff who came together to make the evening possible and to our student leaders who gave generously of their time to help run the liturgy and cook dinner for everyone.

"May these Words be a Light unto your path." **Mrs Colleen Kofron**

Theatresports Schools Challenge

Year 8 students **Alena H**, **Audrey S-M** and **Lily S** represented our Co-Curricular Drama Ensemble by competing in the Junior Section of the Theatresports Schools Challenge recently.

The event involved teams from over 150 independent and government schools presenting comic and dramatic scenes made up entirely on the spot. Students demonstrated their effort, passion, and pure interest for Drama in both the lead up to and the day of the event. *Fantastic work girls!*

Pathways & Partnerships Update

Mr Justin Slowey, Pathways & Partnerships Leader

The Pathways & Partnership Program seeks to link industry and education to create the real-world foundations that underpin teaching and learning. It also serves to equip our students with the necessary knowledge, understanding and skills to effectively plan their own career pathways.

Year 11 Student Leaders **Zinta H** and **Nicholas G** participated in the planning and delivery of an exciting CSBB Industry-Education workshop on '**Challenging Career Gender Stereotypes**' with Our Lady of the Rosary primary. They both gained a valuable insight into and experience of Educational Careers. Thank you to Regional Industry Educational Partnerships (RIEP) and the 10 industries who attended, for supporting this initiative. It was a great success with many Years 5 and 6 students believing that they really '*can become anything that they want to be*'.

We are always keen for our students to hear first-hand about the range of post-school training, study, and employment pathways available to them. Several organisations recently accepted our invitations to provide lunchtime careers presentations to all year groups.

TAFE unsurprisingly attracted a large audience, highlighting to students the \great range of post-school vocational pathways and training opportunities. The students asked many great questions in the Q&A session following the presentation, and both TAFE presenters stated that the breadth and depth of questioning from the students was the most impressive they have ever seen!

Wendy Raiston from **CatholicCare** also presented to the students on careers in areas such as social work, youth work, disability support, aged care, counselling, childcare and early years teaching. Many of these careers are increasing in demand with very promising long-term prospects in the ever-changing world of work.

The **Australian Defence Forces** presented a highly engaging presentation on career opportunities in a diverse range of areas, including the many support roles such as hospitality and logistics, which are often overlooked in the defence forces. Students engaged in a busy Q&A session at the end of the

presentation, asking questions that may influence their subject selection decisions in Years 10, 11 and 12, as well as giving others a strong direction and motivation to achieve career goals. We were delighted to see students from Years 7 and 8 represented in the audience, having directly targeted these students with the simple message that *"it is never too early to think about your career"*.

Systems Connect, who manage the Sydney Metro Project, were invited to present on employment and training opportunities as well as 2023 work experience opportunities in a range of career areas including building, engineering and construction. A range of boys and girls were represented as well as students across Years 7 to 12.

We partnered with several providers so far this year to engage our Year 9 Students who are studying Physical Activity and Sports

Studies (PASS) on careers related to sport. Sports Journalist and Commentator **Gordon Bray** Zoomed in from his Central Coast home into **Mr Wilson's** classroom to speak to the students on this exciting career area. He spoke on the pathways into a career in sports journalism and gave a very realistic insight into a day in the life of a sports journalist.

We also partnered with **Kidney Health Australia** to provide a wonderful opportunity for Year 12 Biology students to hear a first-hand account of the day in the life of a Renal Nurse.

Retired nurse **Linda Christy** Zoomed from South Australia into both Year 12 Classrooms to present on and discuss renal failure and kidney dialysis through a slide presentation.

Most students were audibly struck to hear that dialysis patients can spend up to 4 hours a day on a dialysis machine, 3 days a week! Linda went on to answer questions from students and highlight pathways into nursing and renal nursing. Connecting to

industry helps to consolidate learning in the classroom through the application of theory to real-world practices. Let's hope we inspired some future nurses! Thank you to **Ms Caiger** for enabling this connection to Industry.

Next week one of our maths teachers, **Mr Huo** will be taking part in a cross-sectoral educational initiative on 'Maths in Industry'. He will be working with the **Ministry of Health** to co-design an engaging maths lesson which links authentic industry practice to the maths curriculum. Industry will then co-deliver the lesson with Sunny with his class students later in Term 4. We look forward to hearing more about this initiative and we anticipate high student engagement with this venture.

The Mathematics KLA and I are also planning a 2023 initiative with **Sydney Flight College** to build the capacity of maths teachers to deliver curriculum-based real-world problem solving, as well as for students to engage in maths workshops at Bankstown Aerodrome. We hope that they will understand the importance of maths through seeing how it is used on a daily basis by those who work in the Aviation Industry.

We are always very grateful to our community partners for linking the real world to the teaching and learning that happens in the classroom. We are always kept busy planning many more exciting partnerships between our school and the wider community. **If you think you can provide any support for whatever industry you are in, we would love to hear from you!** Please [express your interest here](#) and I will reach out for an initial chat.

Careers News

Ms Melissa Duff, Acting Careers Advisor

See this week's [Careers Page](#) for:

- Computer Science Pathways
- University Early Entry - SRS Dates for first offers released
- Summer Courses in Essay Writing and Journalism
- GAP Year Opportunities
- Apprenticeship Opportunities - Horticulturist and Locksmith.

Sports Report

Junior Touch Football Gala Day

It was a soggy day at Lionel Watts Reserve for the Junior Touch Football Gala Day last week.

The students got into the spirit of the competition with strong performances by a number of players. For the girls, standouts were **Makayla A** (Year 8) as Best on Field, and **K'San C-S** (Year 7) as most improved player. The girls played really well as a team and developed a strategy to make the most of the wet and slippery ball.

The boys had many players who were noteworthy including **Isaac W** (Year 7) as Best on Field and **Arturo BS** (Year 7) who was the most improved player. The boys used team chat during their games to keep the energy up and distribute the ball.

Supporting the teams were **Jakob M** (Year 9) as referee and **Ethan V** (Year 9) as coach. Both of these students were commended by ground officials for their enthusiasm and leadership.

So, despite the rain, the teams made the most of the trying conditions to have fun and improve their skill level for next time.

Mrs Champ

Term 4 Broken Bay Representative Events

During Term 4, the following Broken Bay events are open for St Leo's students to compete in. Students will be informed of trials and training via the St Leo's **Sport Google Classroom page**. Upcoming events include:

Tennis - Monday 29 November – BBSSSA Tennis Championships

Beach Volleyball - Monday 29 November – BBSSSA Beach Volleyball Championships

Reminders:

How to Give Compass Permissions

The College is in the process of moving towards electronic permission forms for all events and excursions. **It is essential that parents and carers access Compass regularly for notifications and ensure all permission are signed and up to date.** A quick guide on how to grant permissions via the app is included below.

Alternatively, please contact the College for any assistance or view the Compass Help Guides online if needed.

1. Events and Payments: You have event/s requiring action. Click to proceed.
2. Events: View and pay for events here. Click right arrow.
3. View the Event and click the right arrow.
4. Read Information regarding the event (Description, Date, Time Location, and Event Details). Scroll down to the bottom. Click Green Section: Proceed to Consent and Payment.
5. Add any further Medical Information. Add Contact Details on the day (if different).
6. Scroll to the bottom to provide consent type and add Parent/Guardian Full Name.
7. Click the green consent button.

Year 7 (plus Year 8 & 10 Catch-up) Vaccinations - Monday 7 November

NSW Health will be attending St Leo's next Monday, 7 November to offer the following vaccinations:

- **Year 7 – Human Papillomavirus vaccine (HPV) dose and Diphtheria/Tetanus/Pertussis**
- **Year 8 – Human Papillomavirus vaccine (HPV) dose (catch up)**
- **Year 10 – Meningococcal ACWY vaccine (catch up)**

Consent Forms

No student will receive vaccinations at school without a completed consent form signed by their parent/guardian. **All students should already have returned their consent forms to their Mentor teachers earlier in the year.**

Year 7 and 8 parents/guardians that completed and returned the consent form at the beginning of the year do not need to do another form for this vaccination.

Year 10 parents/guardians who have already returned a form to school but whose student was absent do not need to complete another form. If parents have not yet completed a form and would like the Meningococcal vaccine given at school, please contact the school for a Vaccination Consent pack.

A parent/guardian may change their mind (after submitting the signed form) and withdraw their consent for vaccination at any time. This can be done by providing the school with written notification of such withdrawal, or by emailing nsllhd-phuschoolvaccinationprogram@health.nsw.gov.au

There is no concern for students receiving the HPV, dTpa or Meningococcal ACWY (school vaccinations) either before or after they complete COVID-19 vaccinations (advised by National Centre for Immunisation Research & Surveillance).

Parents should also:

- Ensure that students with influenza-like symptoms do not attend school and are tested as soon as possible (www.nsw.gov.au/covid-19/symptoms-and-testing)
- Ensure that their student eats breakfast on the morning of the vaccination clinic.

A Record of Vaccination card will be provided to each student. Details about vaccinations given at school will also be uploaded to the Australian Immunisation Register (AIR). Further information about school vaccination is available: <http://www.health.nsw.gov.au/schoolvaccination>

Absent Students

Absent Year 7 students will be offered any missed vaccinations (HPV or dTpa) at the first school clinic in 2023 and do not need to go to their GP for the vaccine. Absent Year 10 students are advised to go to their GP.

Please contact [Year Leaders](#) if you have any specific queries.

College Caps and Hats for Sport and Outdoors

A College cap or new bucket hat is required whenever students have outdoor sport, and highly recommended when outdoors at recess and lunchtime. These are available from our uniform suppliers, Cowan and Lewis. They can be ordered online with free delivery to the College.

All new and second-hand uniform information and links are available on the [Uniform page of our website](#).

Canteen News:

New Menu for Term 4

Our canteen suppliers, *Yummy Bears* have introduced a [new menu for Term 4](#) (which is also available on the College website under Parent and Student Links).

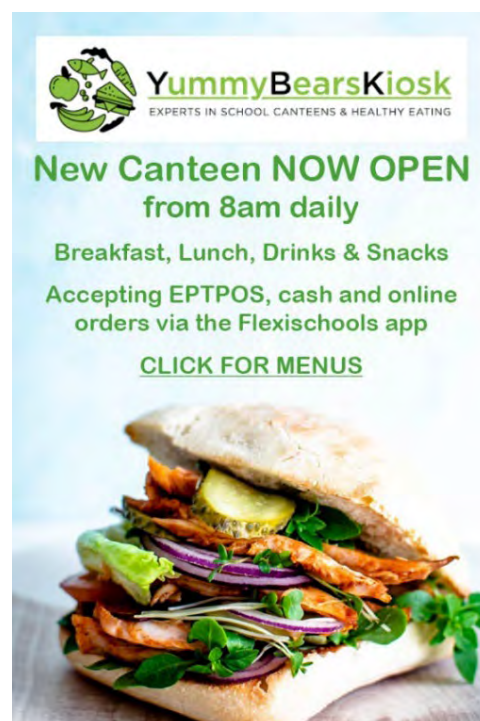

Do you know how to order lunch online? It's easy! Simply download the [Flexischools App](#) and follow the prompts. It's a fast and efficient way to make sure they get what they want for lunch!

Of course, counter sales at recess and lunch are also most welcome.

Daily Lunch Specials

- Monday – Pizza** (Margarita/Hawaiian or Meat lovers)
- Tuesday – Portuguese Chicken Burger**
- Wednesday – Nachos** (Beef or Vegetarian)
- Thursday – Sushi** (Teriyaki Chicken/Tuna or Vegetarian)
- Friday – Butter Chicken & Rice**

Plus, an array of sandwiches, wraps, & snacks to satisfy.

Community Notices

Diocese Positions Vacant

Our Lady of Dolours Catholic Parish Chatswood currently has Business Manager and Parish Services Officer positions vacant, while the Chancery also has a number of administration roles available. [Read more here](#).
