# UNIFORM AND GROOMING EXPECTATIONS

## General Expectations

As a St Leo's student, you are an ambassador for the College. The College uniform enhances our sense of belonging to the College community.

Wearing your uniform correctly shows pride in your appearance and enhances the reputation of the College in the wider community.

As part of enrolment at the College, students and parents agree on the importance of uniform and grooming standards, and wearing the school uniform correctly and with pride.

Modifications to these guidelines may be required on an individual basis.

It is at the final discretion of the College as to the acceptable uniform and grooming standards for students.

## What to do if you are out of Uniform

If you are not in correct uniform for an acceptable reason, you must obtain a **Uniform Pass** from your Year Leader at the start of the day.

You should present a parent Compass or written note and this Planner to your Year Leader before school to be issued with a Uniform Pass. You can then show the Uniform Pass to any staff member as requested regarding your uniform infringement **for that day**.

## Sports Uniform

The College sports uniform is to be worn to and from school on designated sports or PDHPE prac days only. If full sports uniform is not available on this day, you should present a parent Compass or written note explaining.

Combinations of sports and normal school uniform will be considered out of uniform.

- Tracksuit – the new style College tracksuit should be worn in winter and the jacket worn on cooler sports days throughout the year.
- Shirts and shorts – students should wear the crested College sports or House polo shirt and shorts.
- Shoes and socks – sports shoes/runners/cross trainers with plain white ankle-length crew socks. Soft canvas slip-on or lace-up fashion shoes (e.g. Vans) are not appropriate for school or sport.
- Representative team uniforms – students in representative sports will be required to wear the appropriate uniform for that team, which may require purchase of alternate clothing e.g. football shorts, socks, netball dress.
- Some sports may require equipment supplied by students e.g. towels (for the gym). If this cannot be organised, alternate sport selections should be made.
